- **Exclusive Beginners Class in a Group of people at the same level as you to ensure you get the right level of tuition from the start**
- **A relaxed friendly atmosphere with the opportunity to meet new people with a shared interest in learning Ballroom dancing**
- All the Ballroom and Latin dances will be taught including the Ballroom Waltz, Quick Step and Tango, plus the Latin Dances Jive, Cha Cha and Rumba and the popular social Sequence Dances
- These are partner dances so if you are a single you will need to find a family member or friend to dance with who would also like to come along regularly with you. You will dance in hold as you can see in the picture on the website with a leader and a follower but this does not have to be a traditional man as leader and lady following you can dance in any couple you like as long as both people are over 18.
- No special footwear or clothing required but you will find that shoes are easier to dance in than trainers. Please ensure whatever shoe you

choose has support round your heel so for ladies that would be **no sling backs, no flip flops and not overly high heels**

- **Bring water with you for refreshment**
- Free Parking available onsite (the Infants School where classes are held is to the right as you come through the school gate, but to park use any available space, observing carpark markings where these are laid out in the bottom carpark to the left as you come through the gate)
- ***Places are limited and will be allocated as bookings received.***
